If you perceive symptoms of what could be alcohol or drug use problems

with a youth in school or at home, you can make a direct referral to an approved adolescent outpatient provider for a full substance use assessment.

The Massachusetts Substance Abuse Information and Education Helpline (1-800-327-5050)

can provide information on approved adolescent outpatient programs and answer questions about the referral process.

If a substance use assessment indicates a need for residential treatment, the completed assessment is faxed to the Central Intake Coordinator (CIC).

The CIC reviews all assessments from MA BSAS approved youth outpatient providers for admission to the appropriate residential program. If it is appropriate to refer the candidate to an alternative program, the CIC will offer referrals.

The CIC will coordinate all referrals to Youth Residential Substance Abuse Treatment including referrals from DSS, DYS, and the juvenile courts.

The CIC is located at
Institute For Health and Recovery,
349 Broadway, Cambridge, MA 02139.
The CIC is Maggie Giles
